Sir William Ransay,
Care Rev. C. Stewart,
Garret Institute,
Evanston, Ill.

Dear Sir William Ransay:

When you were with us a fortnight ago you said that you thought it would be possible for you to return and give a lecture in the University on October 23rd or 24th. I should like to be able to make definite arrangements, particularly as the Canadian Club have asked me about the matter. Can you say now which day you would give us a lecture? Five o'clock in the afternoon would probably be the best time to secure an audience both of students and of the public. I hope that you are enjoying your visit to the United States.

With kind regards, I am,

Yours sincerely,

President.
